

## Liquidity Provision (LP) Service Report

Ooredoo signed an agreement with The Group Securities Co. to provide sponsored Liquidity Provision Services, in accordance with the QFMA-approved liquidity provision scheme. The service started on August 20, 2015.

The Liquidity Provision Service, which is sponsored by Ooredoo, is intended to improve liquidity by facilitating increased market depth and trading volumes in Ooredoo shares listed on the Qatar Stock Exchange.

Reporting Period	Number of Total Shares Traded by Liquidity Provider	Number of Shares Bought by Liquidity Provider	Average price bought (QAR)	Number of shares sold by Liquidity provider	Average price sold (QAR)	% of Shares Traded by Liquidity Provider
